

What to do if You Hear a Smoke Alarm Sound

Follow these steps when you hear a smoke alarm sound:

- If there is smoke, get low and go to your exit.

- Go to your family's outside meeting place.

- Call the fire department.

- Stay outside. Once you are outside, do not go back inside unless a firefighter says it is okay.

Remember to follow these same steps when you are sleeping over at a friend's house or staying with your grandparents.
