RE: Verizon Wireless – Magick Cauldron
Land Development Review
Verizon Wireless – Magick Cauldron Site
Our File No.: F0208-1174

Dear Ms. Heilakka:

As you may recall, I represent Northeast Pennsylvania SMSA Limited Partnership d/b/a Verizon Wireless (“Verizon Wireless”) with respect to the above-referenced matter. In that regard, and in accordance with our email communication of earlier today, I am enclosing herewith a completed Extension of Time form. As indicated, Verizon Wireless has been unable to perform required testing due to the weather. The testing has been scheduled for February 2. Once the testing has been completed, I anticipate matters quickly moving along.

I granted the extension until April 24, 2024. However, I do not believe that this entire period of time will be necessary.

Thank you, in advance, for your assistance and consideration in this matter. Upon your review of this letter, please feel free to contact me should you have any questions or should you require additional information and/or documentation.

Very truly yours,

Richard M. Williams
