RE: Environmental Advisory Council (EAC) Recommendation  
Proposed Change in Zoning District for Stroudsburg Pocono Airport Inc

At our regular meeting on June 18, 2024, the Smithfield Township EAC discussed the proposal to change 4.2 acres from R-1 to M-1 zoning. There was considerable concern and uncertainty about the potential environmental effects. The EAC voted (5 to 1) not to support this change due to the absence of clear consideration of environmental issues.
